

REMARKS

In response to the final rejection of the last Office Action, Applicants are submitting an RCE and this amendment.

Prior to this amendment, claims 36-48 were pending in the application.

This amendment cancels claims 36 -48 thereby rendering moot any rejections directed to these claims.

Applicants acknowledge the acceptance of the Terminal Disclaimer filed January 20, 2004.

The present application is a continuation-in-part of application serial no. 09/691,580, filed October 18, 2000 (now abandoned), which is a continuation-in-part of application serial no. 09/609,828, filed July 5, 2000 (now abandoned), which is a continuation-in-part of application serial no. 09/517,999, filed March 2, 2000, now U.S. Patent No. 6,685,563, which is based on provisional application no. 60/196,827, filed March 5, 1999.

Applicants have added new claims 50-57. Every element of each new claim 50-57 is clearly supported by the disclosures of the present application, the aforementioned abandoned application nos. 09/691,580 and 09/609,828 and the aforementioned U.S. Patent No. 6,685,563. Therefore, claims 50-57 are entitled to an effective filing date that is prior to the

effective filing date of Okuniewicz U.S. Patent No. 6,585,589 "Okuniewicz" which was cited by the Examiner in the last Office Action. Therefore, Applicants submit that Okuniewicz is not prior art to new claims 50-57 and should be withdrawn by the Examiner.

Applicants have provided the following summary which indicates the relevant portions of the disclosures of the previous abandoned applications and issued patent that provide support for new claims 50-57.

There are other portions of the disclosures of Applicants' issued patent and abandoned applications that may also further provide support for claims 50-57. If the Examiner needs further information regarding the portions of the disclosures of the above-referenced patent applications that support claims 50-57, the Examiner is urged to call the undersigned.

Therefore, Applicants submit that Okuniewicz is not prior art to new claims 50-57 and should be withdrawn.
